Who am I in this great big nut? What I want is freedom so I can find out who I am and who these people are I'm swinging with... I mean, who are we, underneath the masks we wear and the roles we play. And I need freedom to discover the purpose and meaning of what we're all doing, where we're all heading -- and even if it's where we should be heading.

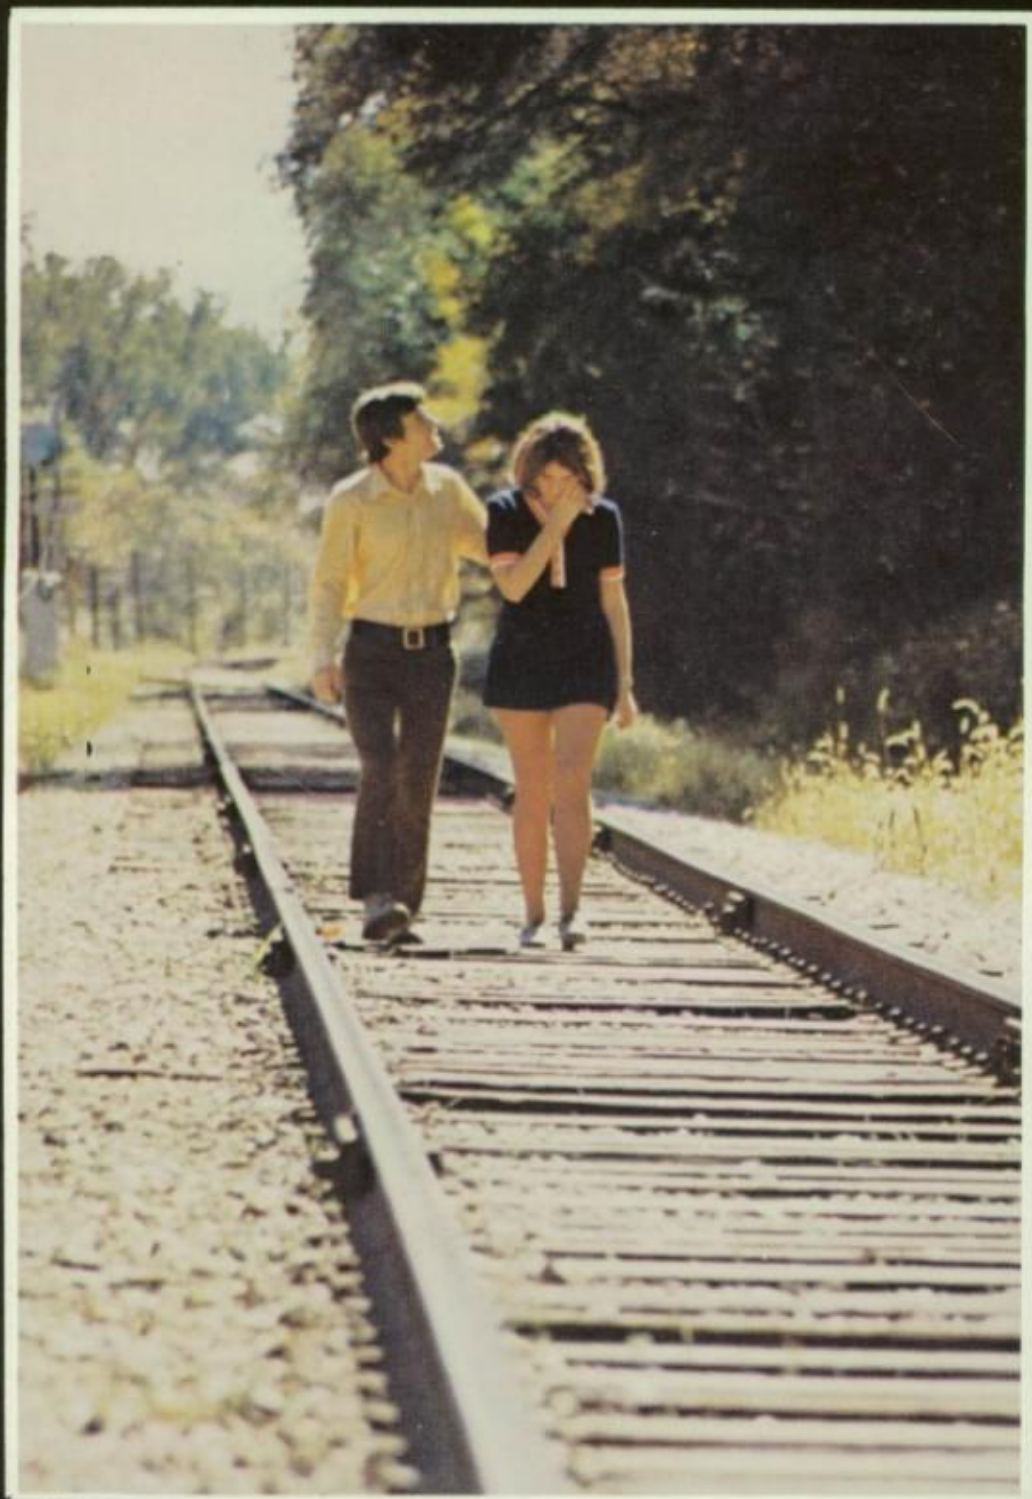

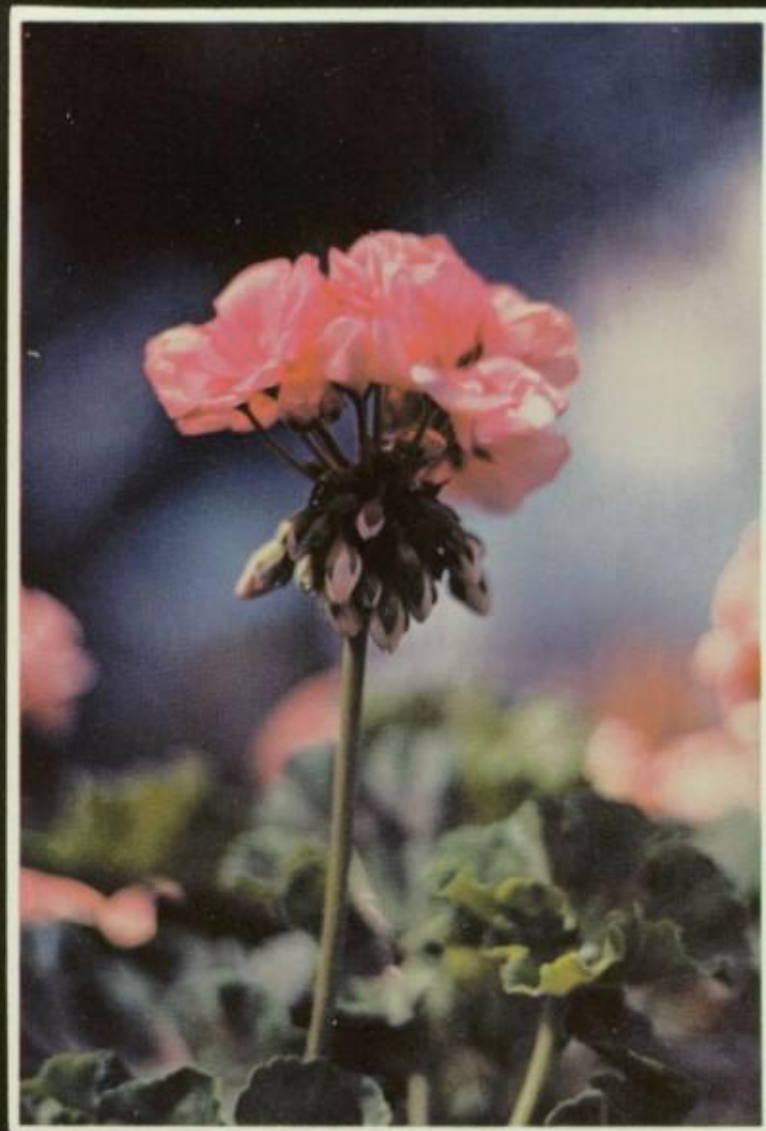

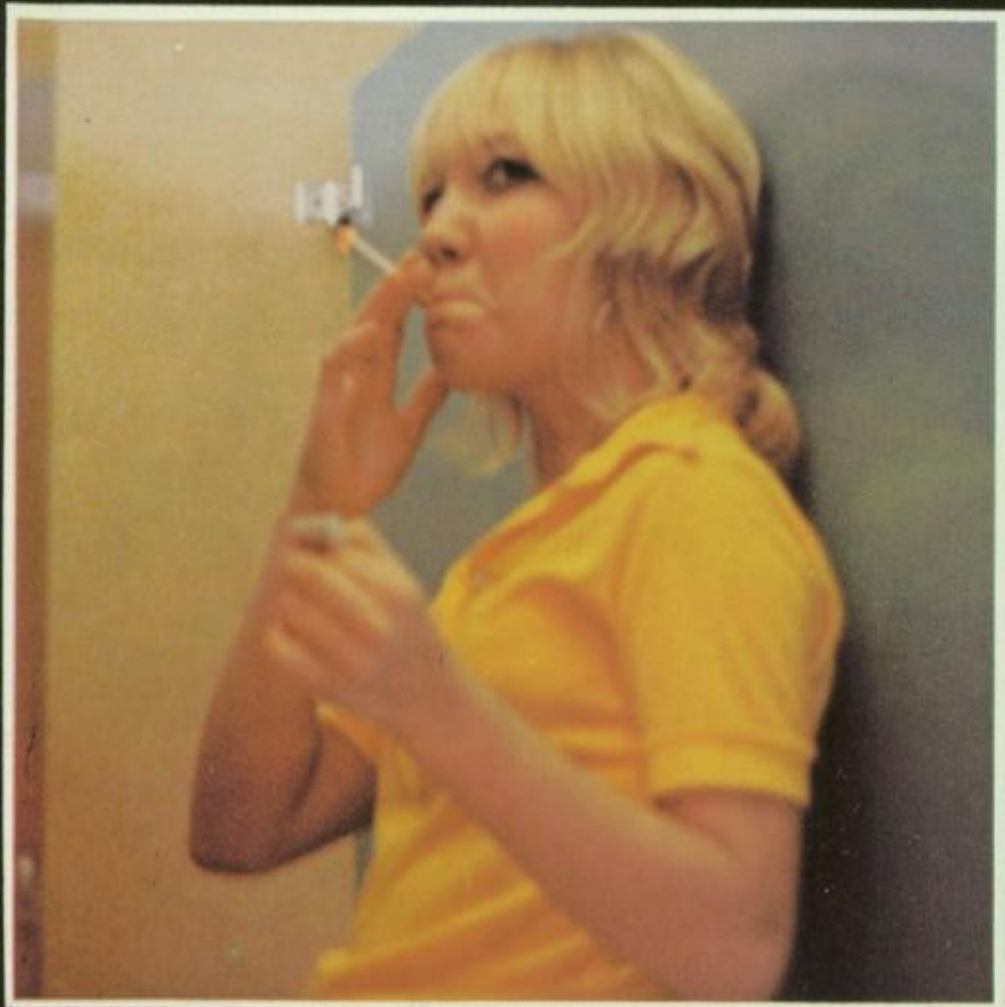

I need freedom to be me...
 so I'm not just a figment
 of somebody else's imagination
 or a neat label on
 somebody's neatly ordered
 shelf, but an actual person
 who cares and is cared
 for. I want to be involved
 in life, not just as an
 onlooker. I don't want
 to watch this ball game;
 I want to play, hard
 and all the way.

I want to get close to
life, feel it, and smell it,
sweat over it, and maybe
even pick my spot to
die.... I want to be
free. Free to laugh, to
cry. Free to die, to live.
Free to be

responsible
and care and
dig in....

A major goal of the Student Council this year was to encourage student participation in Student Government. To help accomplish this goal, the Council established a complaint system for use by the student body, re-evaluated the right-to-petition, voted for constitutional revisions, and established a link between the administration and students.

Homecoming '71 was the first Council project. The theme was "The Roaring 20's". A great deal of time and effort on the part of the Council members made Homecoming '71 very enjoyable.

Exchange day and elections brought the Council's agenda to a close.

Tom Tom Staff Keeps News in Newspaper

Armin Storms,
Student teacher.

Many high school newspapers gave up the traditional role of a newspaper and began emphasizing magazine style features and creative writing in 1972. Some even turned to straight photo journalism. But Editor Mike Jackels insisted that news, names, and the recognition of the students who made things happen at Bellevue High School was the proper function of a newspaper. Although such decisions result in a continuing rush against early deadlines, the 1971-1972 Tom Tom staffs concur that the hectic year was worth the effort.

Photographers Mark Lawler and Frank Mushkin, Business Manager Julie Held, and Editor Mike Jackels held their positions for both semesters, but all other staff positions were rotated at the semester to furnish maximum journalism training for the Junior classes and assure an experienced staff for the fall term.

Chieftain Staff Fights Photo Finish

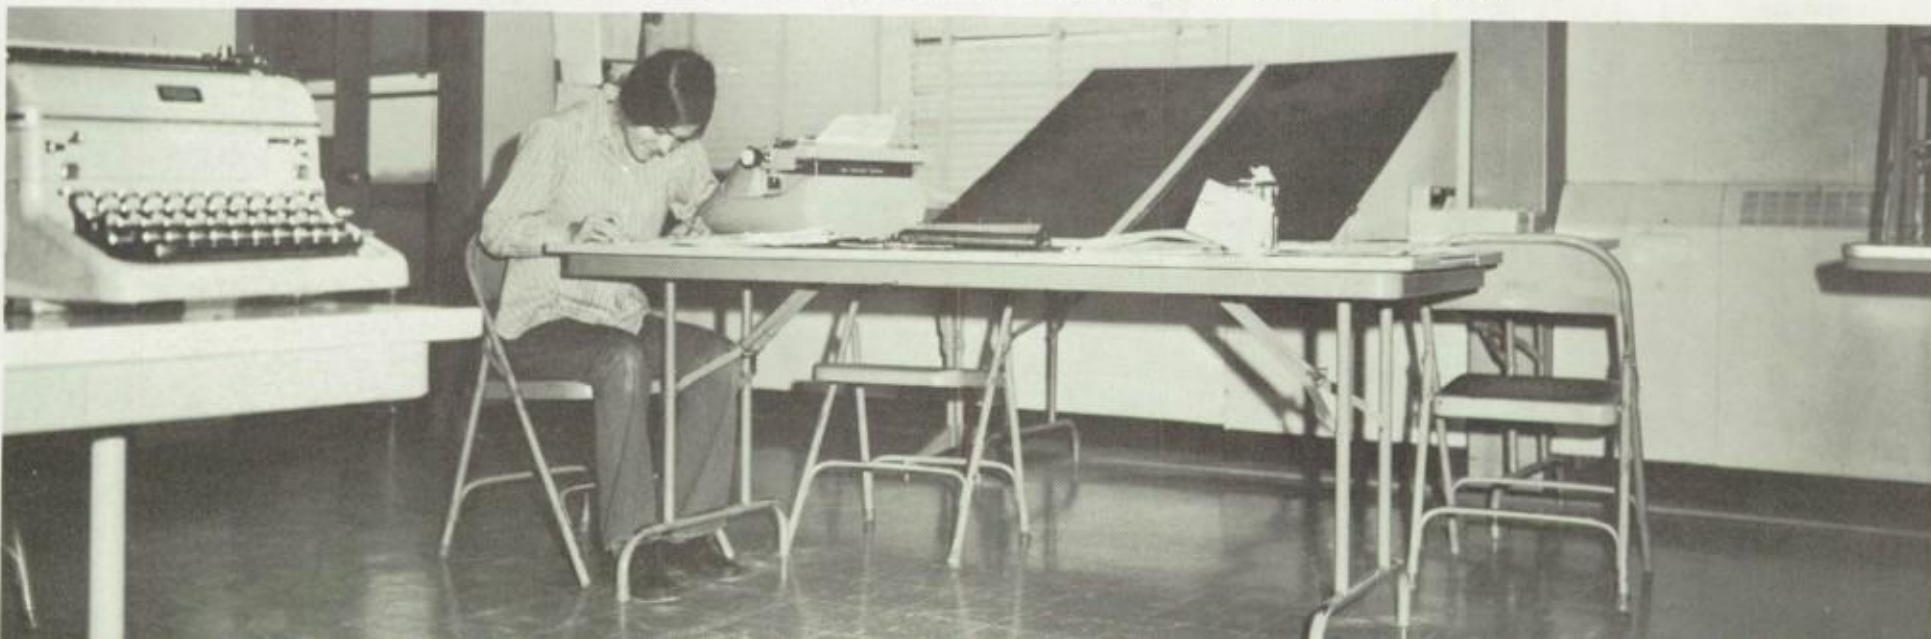

This photographic memory book of the school year at Bellevue High School didn't just happen. Beginning with an October senior picture deadline and ending with the final March Index deadline, the Chieftain staff was constantly aware that time waits on no man. They now know that the time race was worthwhile.

In addition to the creative effort and tedious arranging and alphabetizing over 1,600 pictures, the staff was responsible for raising and spending the \$8,000 budget. No school funds are provided for the Chieftain; it must be self-supporting.

Advisor M.E. Stoddard tries friendly persuasion with Advertising Manager Caryn Fenger as Carol Hyndman applauds. Other seated staff members are Curriculum Editor Shelly Cave, Sales Manager Debbie Suter, Indexer Janie Carter and Patty Payne with back to camera, Lynn Bull and Photographer Frank Mushkin.

Dorothy Dede discovers that being a yearbook editor can sometimes be a lonely job.

Photo Club Assists Quill and Scroll

Quill and Scroll is a national honorary society for students who have made outstanding contributions to high school journalism. Students qualify for membership by working on the newspaper or yearbook staffs.

The BellHi Foto Club does most of the photography for yearbook and school newspaper and often supplies

sports pictures to the local press. Club members initially take turns in using the school cameras for fall sports and the better photographers then receive pictures assignments from the Chieftain staff.

Both organizations are sponsored by Mr. M.E. Stoddard.

They also prepared bachelor meals, breads, cakes, cookies, and held bake sales to raise money.

The B-Club, made up of this year's lettermen, nominated Homecoming Queen candidates, and were cheerleaders and coaches for the powderpuff game.

Dana Bucholtz and Tom Gleeson couldn't wait to give the Wild Rice Medley the "taste-test", so they dug right in.

The Junior Chorus also sings but is actually just a preparation group for the Advanced Chorus. They spend

class time learning the fundamentals of vocal music.

The Belle-Aires are the only ones that have uniforms, to wear for performances. The Advanced Chorus wears dark purple robes while performing.

This is the highest competitive honor received by any Bellevue squad. To help pay for the clinic they held bakesales and various other projects.

Both the varsity and J.V. underwent a complete uniform change this year.

This year's Pep Club, headed by President Caryn Fenger and sponsor Mr. Allen Barnard, painted their section of the stadium purple and white, organized pep rallies, held a Christmas clothing and toy drive, and gave a "spirit" breakfast for the football players. Pep Club girls also decorated goal posts, made teepees, sold ribbons and signed up for many other duties.

Gridders, State Champs, Close Season 9-1

The 1971 Bellevue Chieftain football team put forth a great effort and captured their second State Championship Title.

This year's team was led by Senior fullback Danny Walker. He also led the Metro area in scoring 130 points. Grinding out yardage has been Bellevue's number one trademark. This year's team was no exception, with only 39 passes attempted for only 146 yards. But the running attack combined speed and power in accumulating more than a half mile in yardage, with a total average yards-per-rush of 5.1 yards.

Bellevue's opponents averaged only 11 points per game and only 3.3 point average in the final period.

Losing only once to Lincoln Southeast, Bellevue ended the season with a 9-1 record. They were awarded the State Championship after defeating North High in the Metropolitan Conference Championship.

Two members of this year's team were recognized to the All-State team. They were seniors Rik Bonness and Danny Walker.

Mark Hawkinson adds one point as John Nelson holds.

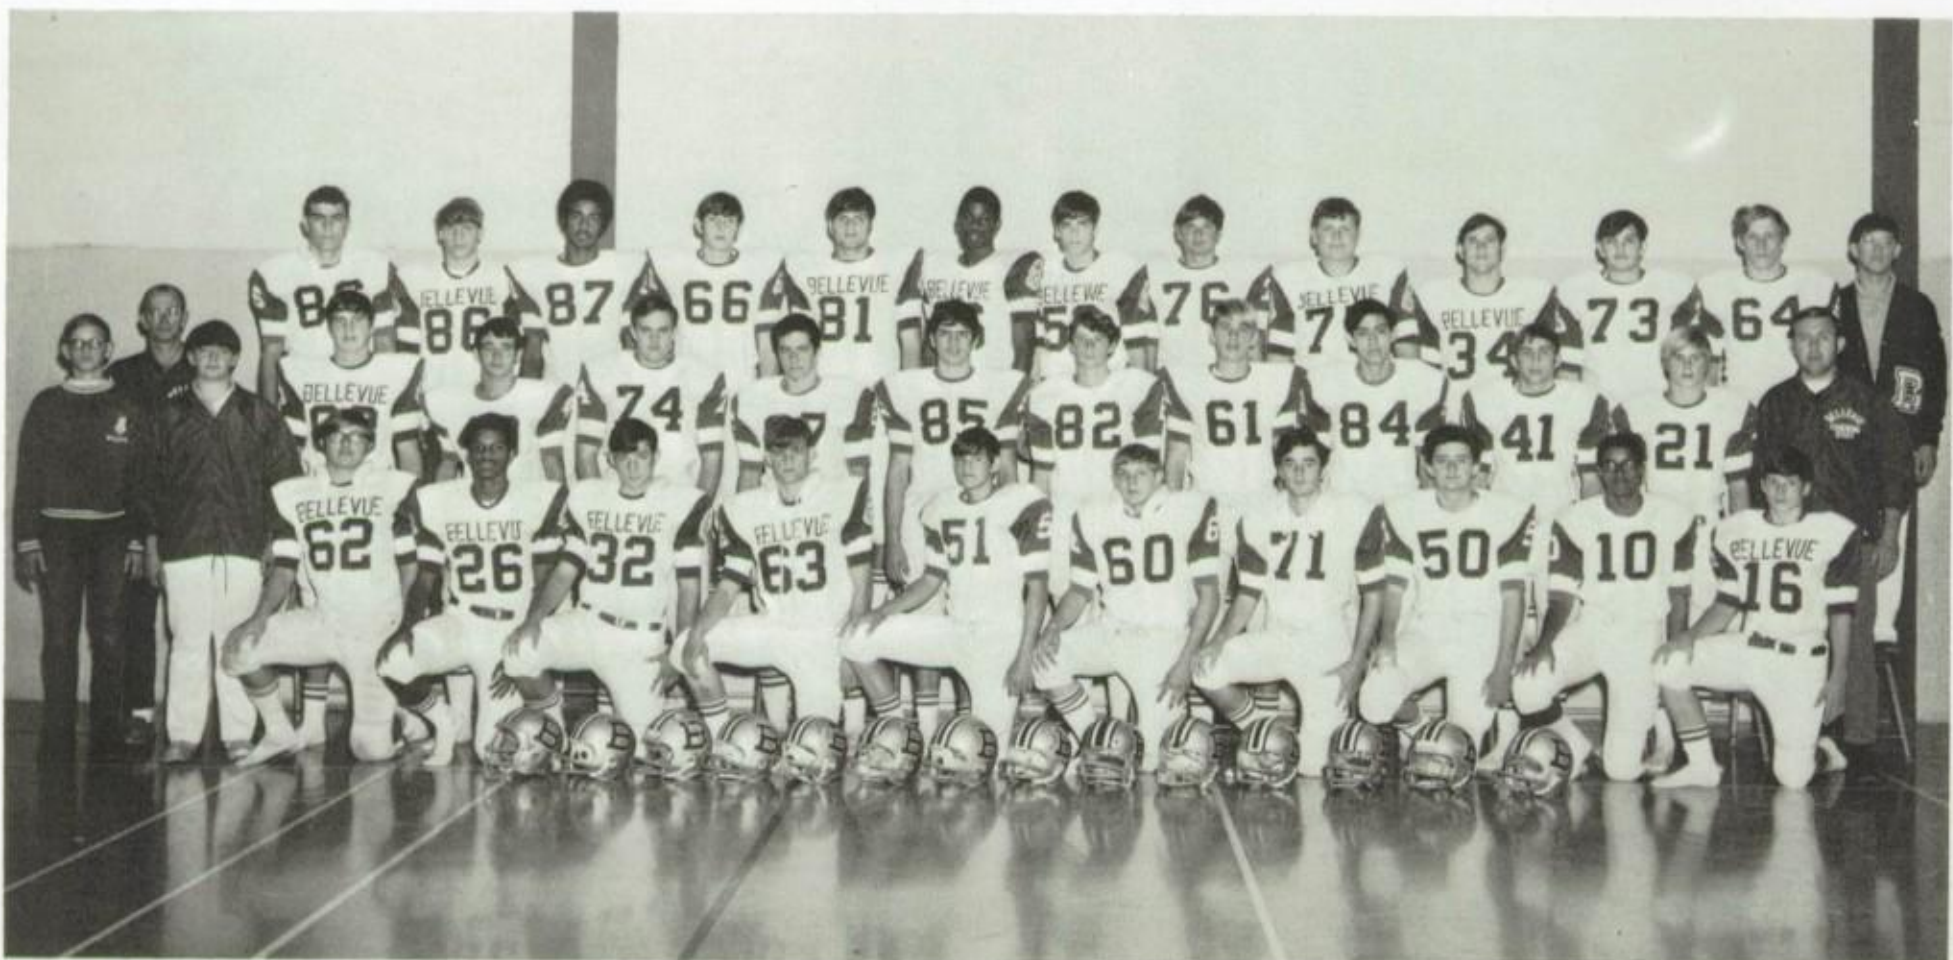

The Bellevue Junior Varsity squad had a successful year as they ended their '72 season with a 6-1-0 record. Their only loss was to Creighton Prep by 8 points. Throughout their entire season they showed a devastating defense as they allowed their opponents only 8.4 points per game and intercepted 12 of the opposition's passes.

Gary Orr was high scorer for the offense as he led the team with 50 points, which helped make a high points scored per-game-average of 37. A tough year that ended with only one loss found Bellevue in second place in the Metro standings.

This year's Bellevue cross country team kept up the winning tradition at Bellevue by winning the State Cross Country title. This year's team was lead by Jim Pendergast. He paced the team to its first undefeated season with a 15-0 record.

The addition of Mr. Ken Kardell, new assistant coach, helped Coach Don Patton give individual assistance to each runner's faults. As it turned out, Bellevue had no faults and went on to take state.

The state meet was held in late October at Spring Lake Park in Omaha.

The Bellevue harriers couldn't wish for worse weather. The temperature was near 40 degrees with intermittent rain.

Juniors Steve Goode and Dave Bennett receive their State Champion awards.

Coaches Ken Kardell and Don Patton check the finishing order of Bellevue runners at the State Meet.

Gymnasts End Winning Season with 5-4 Record

Lance Sandon maneuvers through an inverted lever.

The Bellevue Gymnastics team had only partial success this year. They accumulated a 5-4 record. Led by Senior Co-Captains Brian Walker, Ken Sandon, and Paul Bonin, the Bellevue gymnasts placed 8th in Metro and 6th in District. Bellevue gymnasts qualified three for state, but failed to score points as only Brian Walker placed 7th. The three qualifiers were Dennis DeGodt, Larry Burkholder and Brian Walker.

This year's team was heavily favored with many juniors and sophomores; consequently, they should do well next year.

Netmen Post 9-3 Season Tally

Row 1: Paul Anninos, Tom Wells, Dan Fleming. Row 2: Don Moses, Paul Zellhoefer, Mike Jones. Row 3: Brad Johnson, John McQuinn, Bob Riddle, Bill Hornbake.

Bellevue netmen finished their best season ever, while compiling a match score of 9-3. They were never shut-out in their three losses, but they shut-out four of their nine wins.

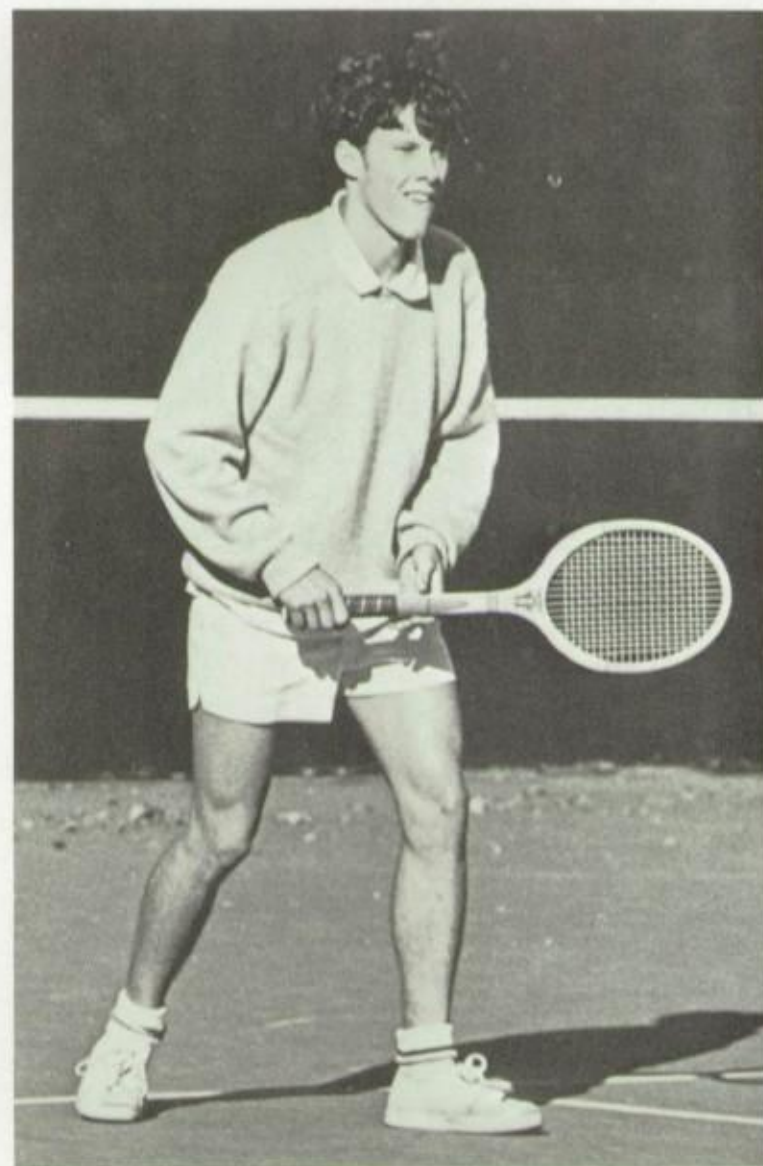

The high man out of the team in number of matches won was Paul Anninos with an individual season record of 11-2. The second highest was Paul Zellhoefer with 9-2.

Mr. John Lang was this year's new coach, as he came up from the ranks of Mission Junior High.

Next year will see some problems as 9 out of the 11 team members will graduate, with only one returning letterman.

Chief Dribblers Finish Unsuccessful Year; 4-17

The Bellevue Chieftain basketball team muscled their way to the bottom of the Metro standings this year. In all but a few of their games the Bellevue squad played marvelous first half ball, but after a fifteen minute dousing of Gatoraid, the Chiefs, in a courtesy fashion, dribbled their way to the runner-up spot.

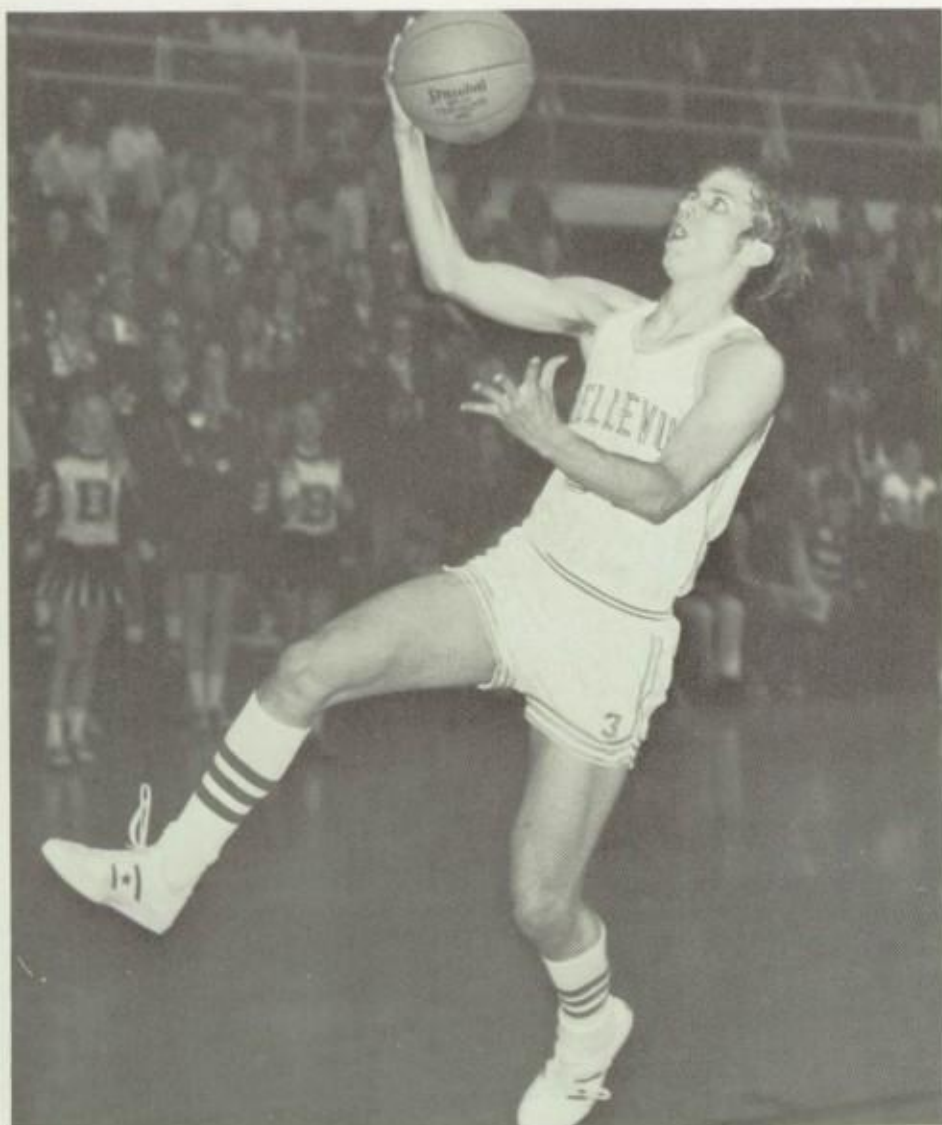

Rik Bonnes was the only Bellevue player to achieve a consistent shooting average and to be recognized by the Metro league.

This was a very disappointing year as the team ended up with a 4-17 record, with only three of their losses ending in a three point spread or less.

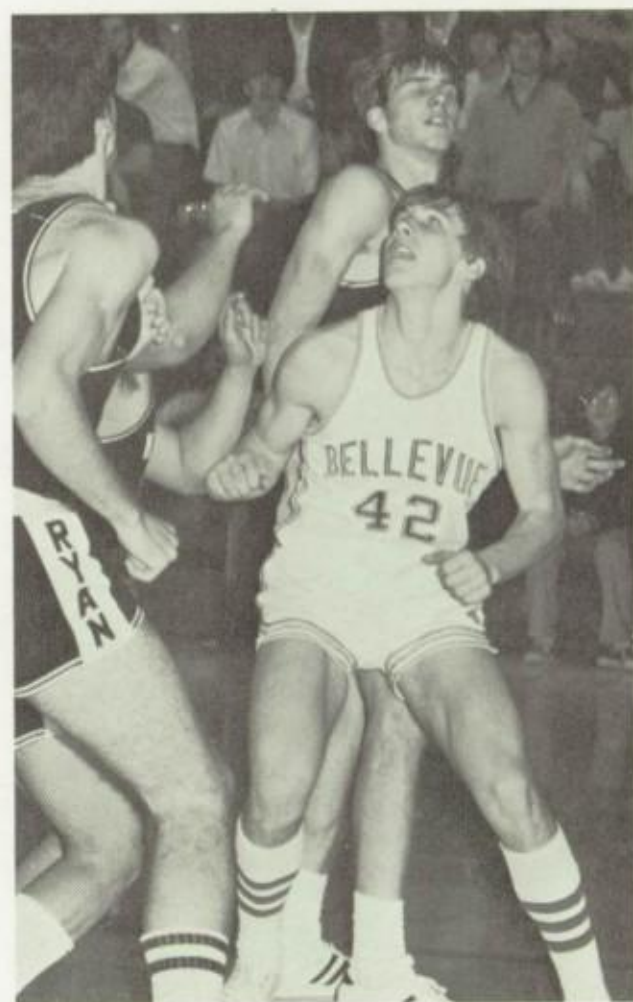

Senior Rik Bonness, most valuable player, goes up for a stuff.

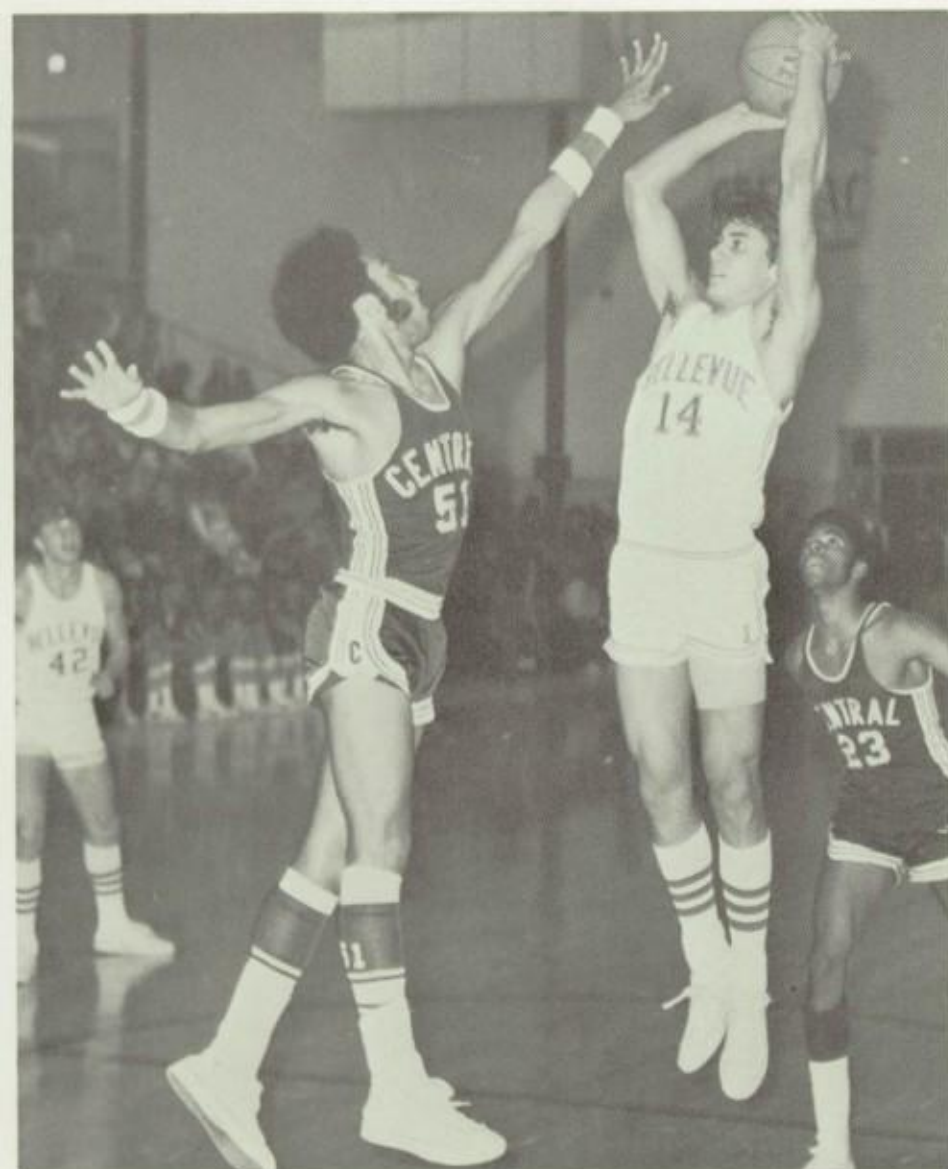

Waiting for a rebound Mark Hawkinson blocks down on the bounds for a good jump at it.

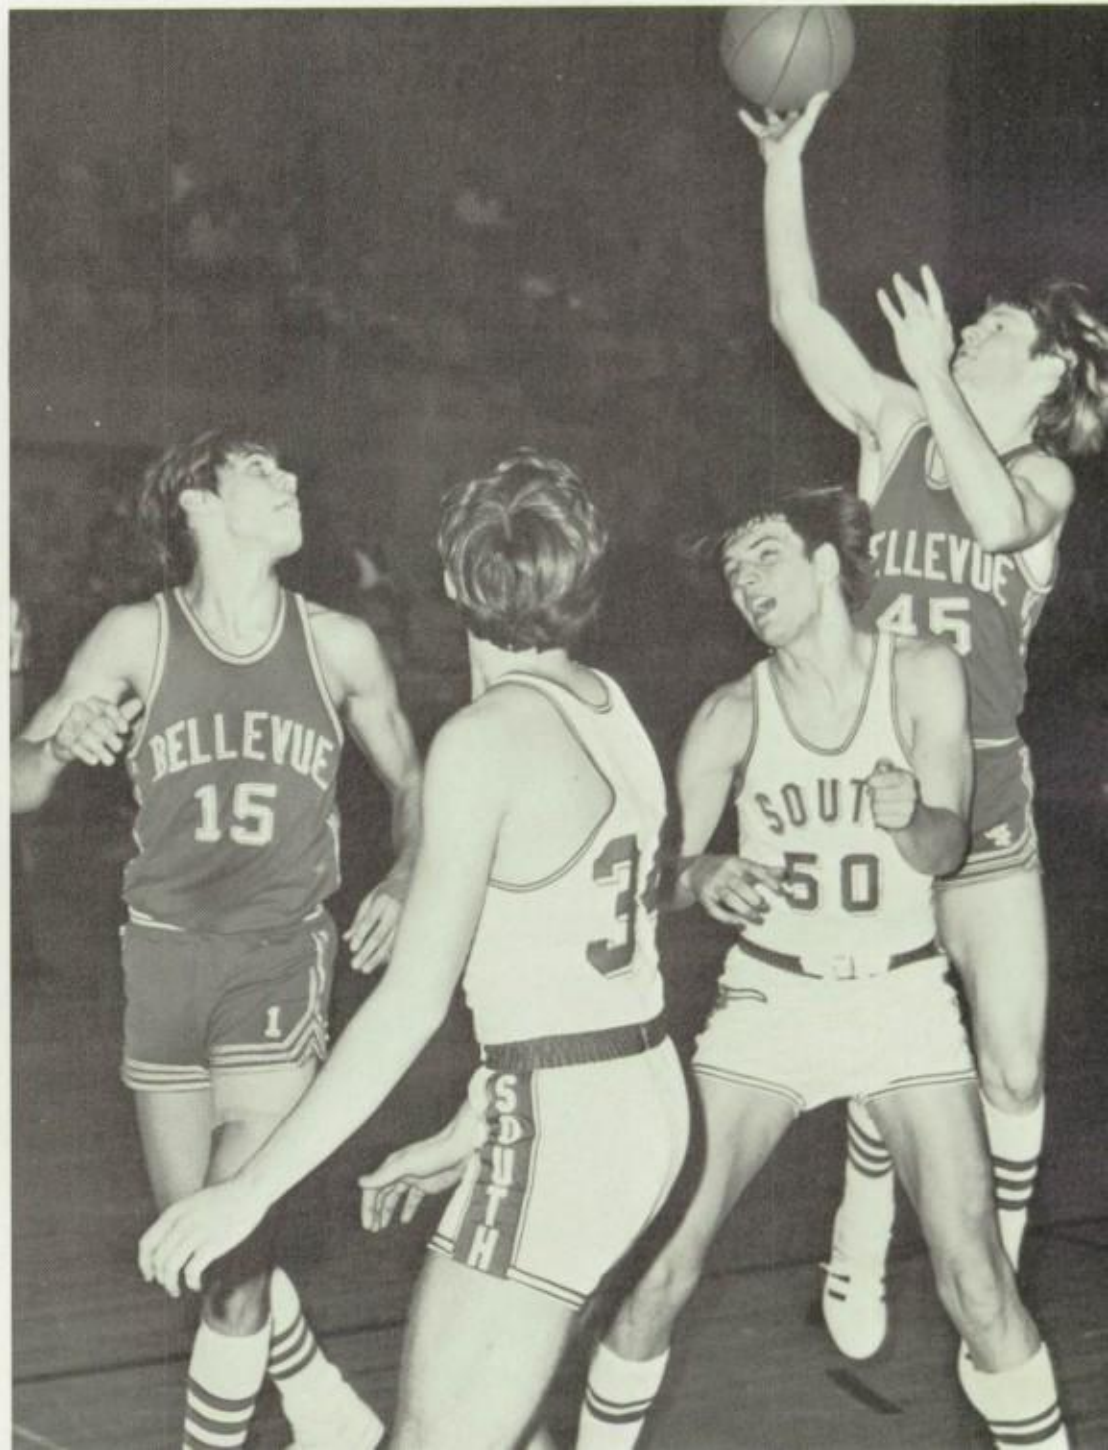

Senior Mike Fiala tests his nerves as he tries for two on a fast break.

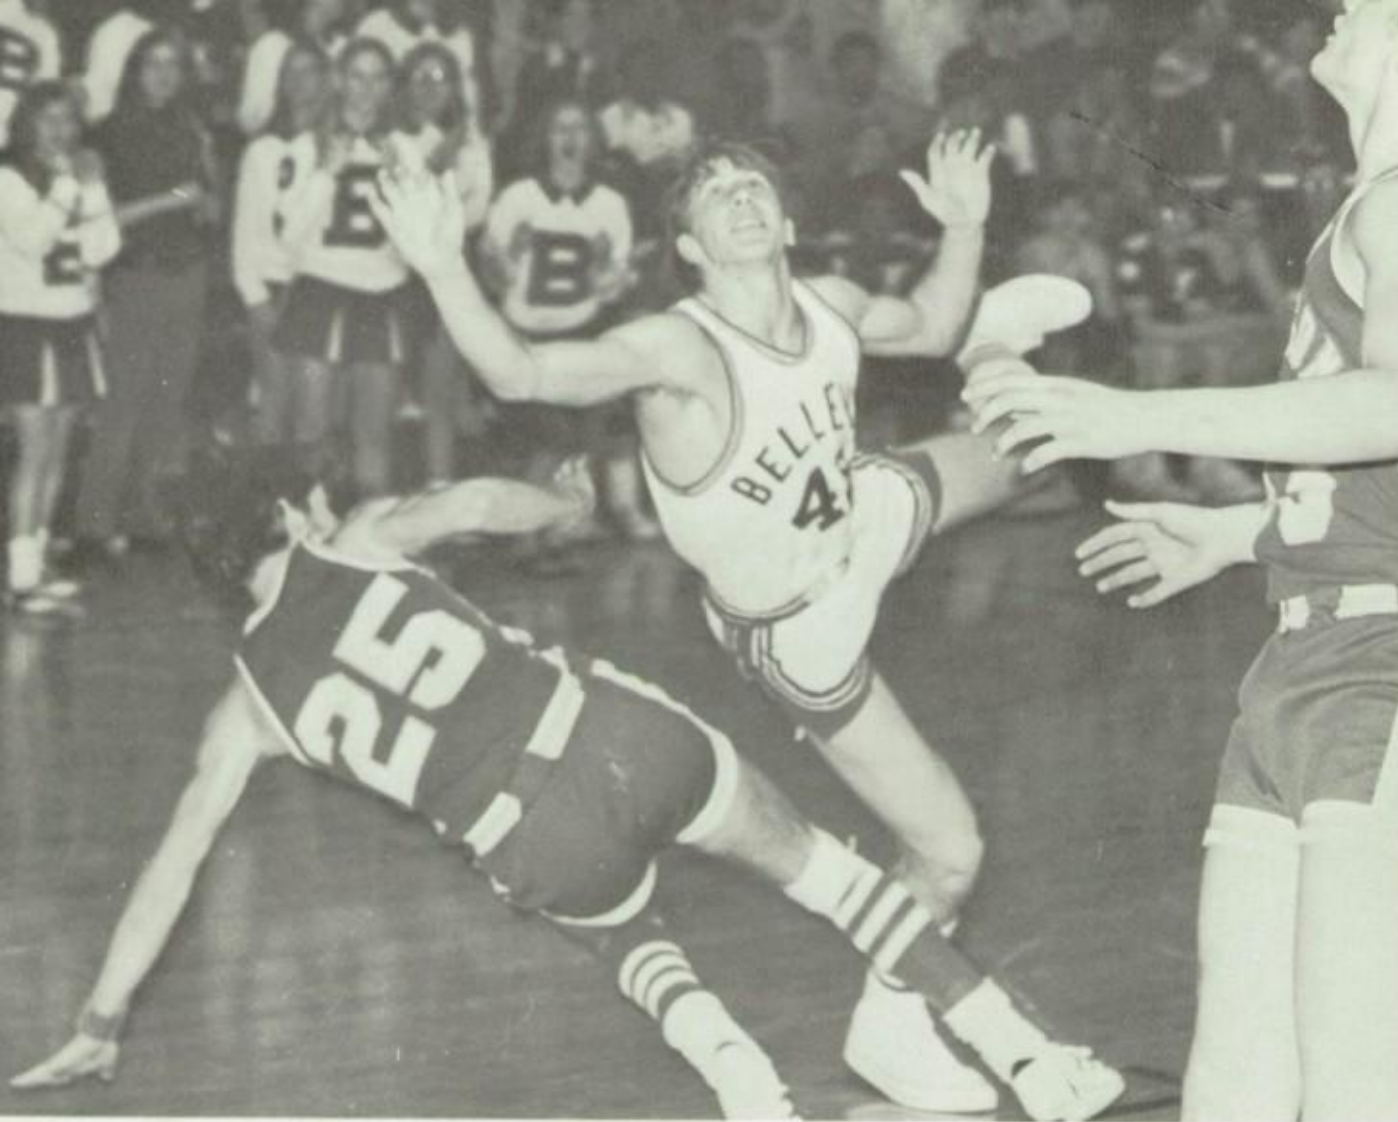

Going in on top of a South player, Buzz Garlock hooks a shot toward the bucket as Bonness readies for a possible rebound.

Rik Bonnes takes a chance for a shot from outside.

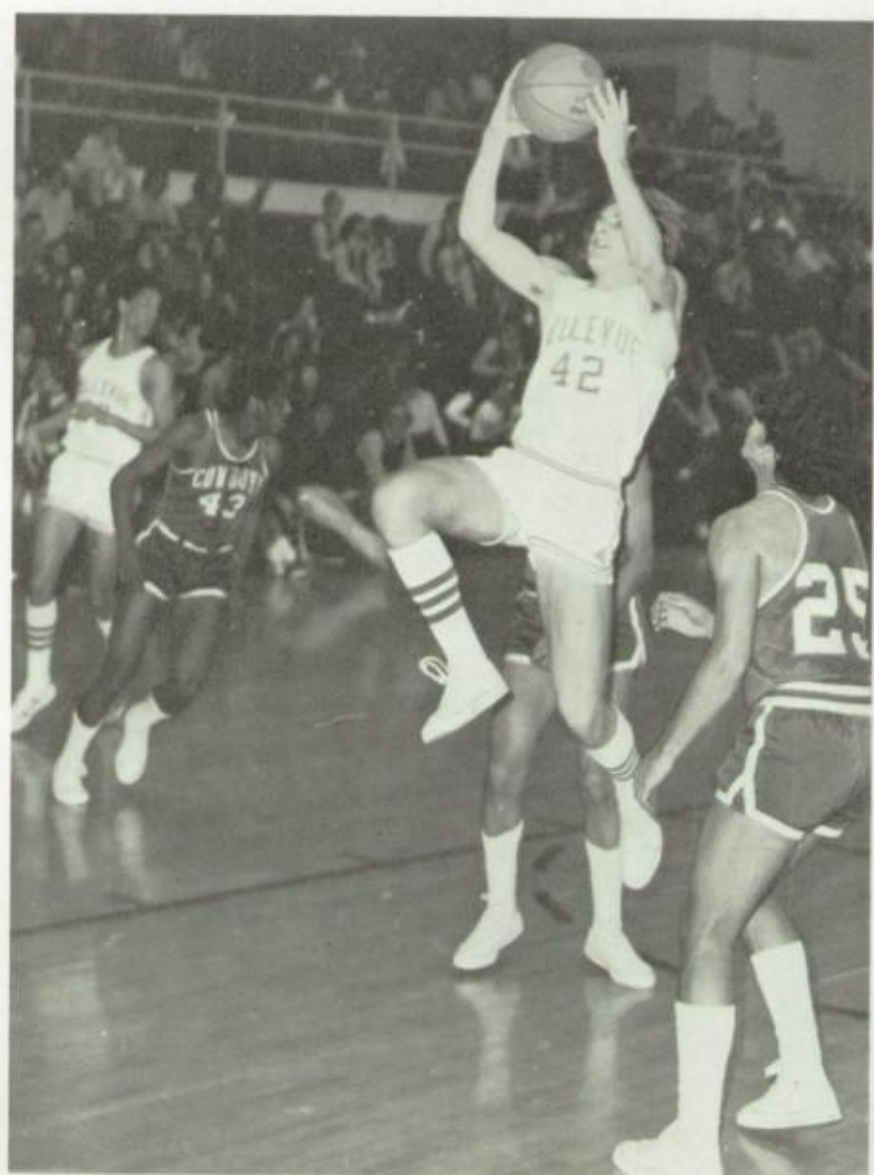

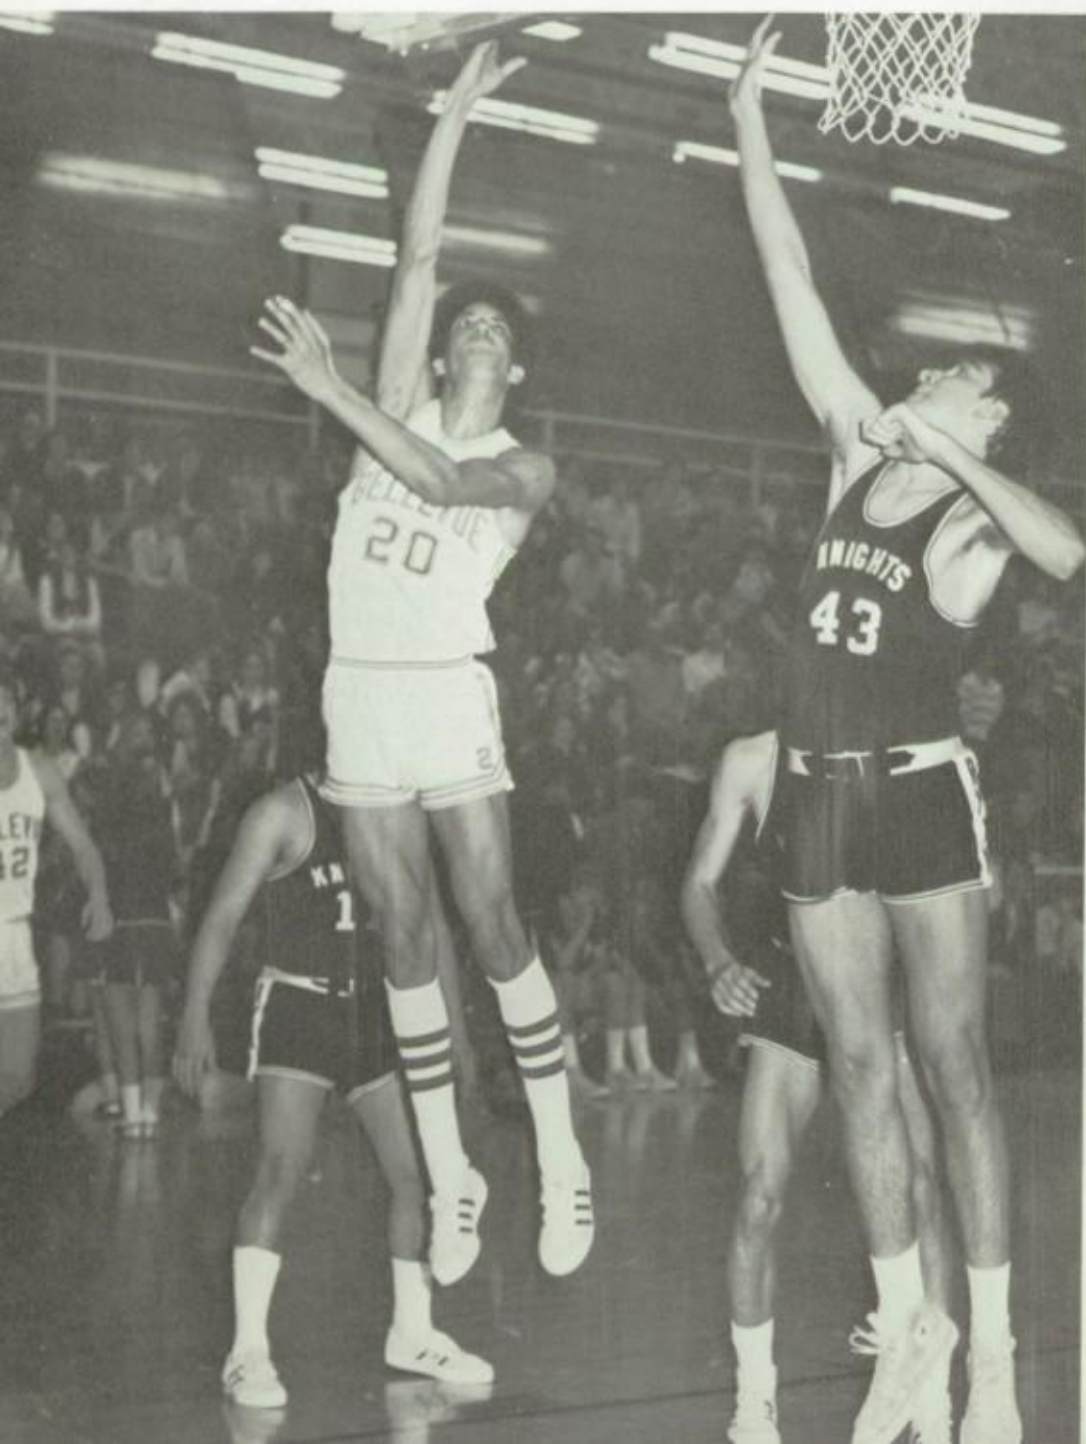

Even the tricky off-balance shots don't go in, as Hawkinson falls in a dual purpose.

After a year full of injuries, Steve Mann gets his first two points on an outside jump shot.

Troy Anderson fights for two points on an easy lay up, from an outside pass.

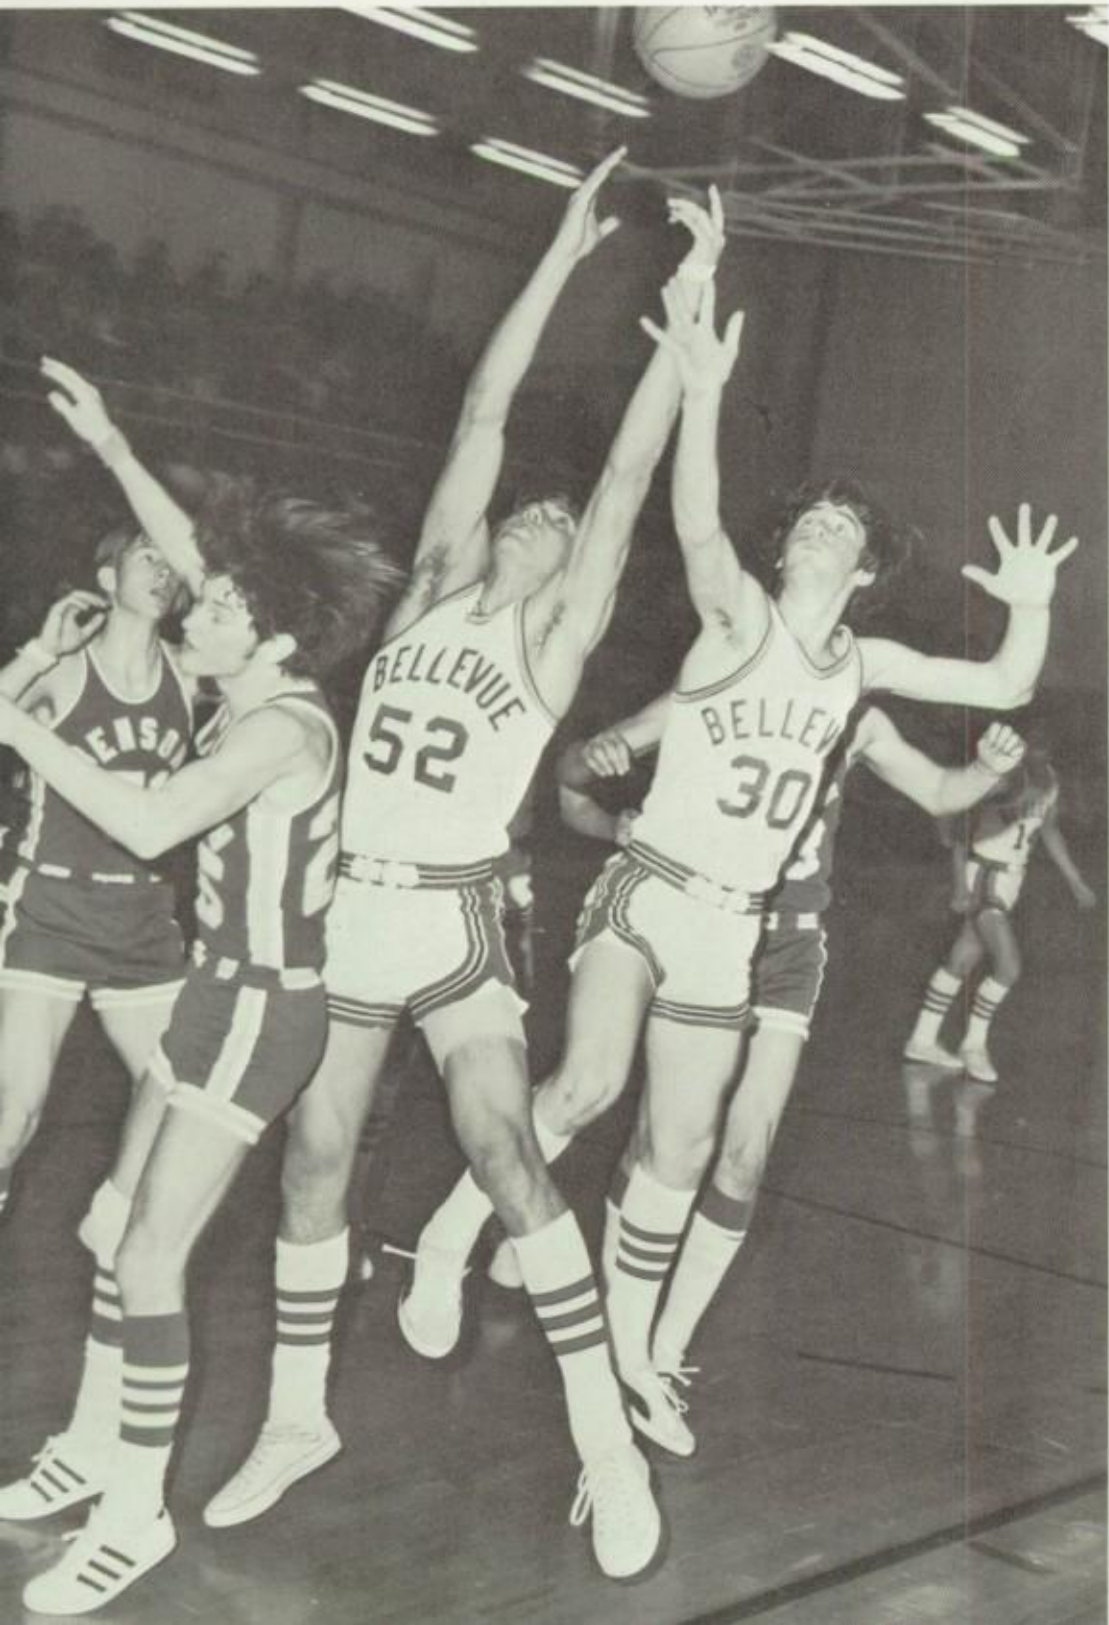

In a Peter Pan motion, Mark Hawkinson heads straight for two points.

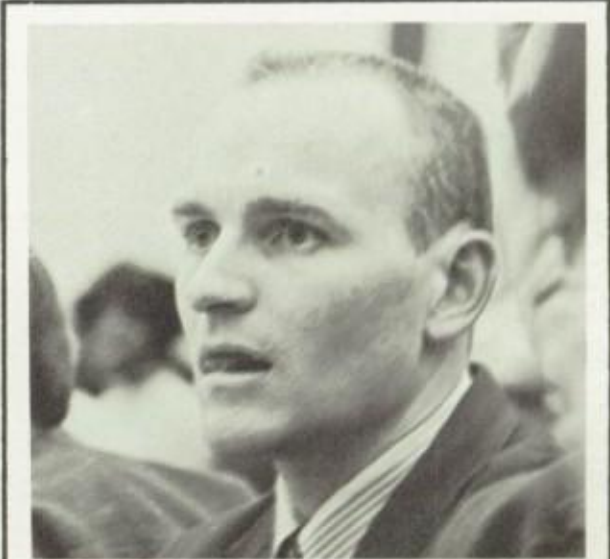

Mike Cantrell, Mark Fox, and Rik Bonness fight over a loose ball during the Benson game.

The J.V. basketball team started out the '72 year in good form as they trounced Tee Jay 71-67. But from there on out they went out to lunch and straight down hill.

Bellevue had a 48% free throw percentage, and only hit on 338 field goals. High scorers this year were Steve Toth with 144 points, next came John Nelson with 117 points and Jerry Patterson with 100 points. On average the J.V. squad was defeated by a 13 points per game. During the C. Prep game Bellevue was beat by a point spread of 48 points; more points than they scored in eight of their regular season games.

But by the end, a tired Bellevue team did finish with a total duel record of 2-14.

If the improvement in the Sophomores is a sign of what is to come in the future, Bellevue might well be suited during the Basketball season of 1974.

The Sophomores were paced this year by Mark Fiala, closely followed by Mark Dickerson, Mike and Pat Stutzman, Bob Bonness, and Mike Michalik.

They finished the season with an improving record of five wins and five losses; two of their losses were only by two points. An optimistic outlook is in store for the learning Sophomore team. Head coach in his second year at Bellevue was Prent Lamont.

The 1972 Bellevue varsity wrestling team captured the Class A State Championship. This is the first time since 1964 that a Bellevue team has taken state in wrestling.

The entire year turned out to be successful as they had a 12-0 duel record. Going into the State meet, Bellevue took 1st in District and qualified nine for State.

Bellevue captured three state championships, at 145 lbs. Larry Nichols, 155 lbs. Darshan Karki, and at 167 lbs. Mark Patterson. Rick Hopwood took a runner-up spot at 112 lbs. Next year's team should be equally impressive as six out of twelve varsity men will return.

The Bellevue J.V. Wrestling team finished up paralleled right along with the varsity team. The future for Bellevue Wrestling looks good as the junior varsity squad compiled a duel record of 12-0-0.

Along with the six returning letterman from the varsity team, and the fabulous sophomores and juniors Bellevue obtains, the Chieftains have a good chance of returning to take state in 1973.

Some of the highlights of the year were when the sophomore team placed second at the first annual Westside Invitational. First place winners at the meet were Ray Brown, Seth Whiteface and Russ Glover.

From a possible number of matches of 144, the J.V. team won 96.

Starting the 100 yd. free, Bob Bucher and Leroy Brunner already lead South swimmers.

The Bellevue swim team had a somewhat successful year, as their overall performance improved. Pulling 3rd place in the Divisional Relays, Bellevue was on a good foundation from which to take 6th in Metro and improve 7 notches over last year by placing 11th in State.

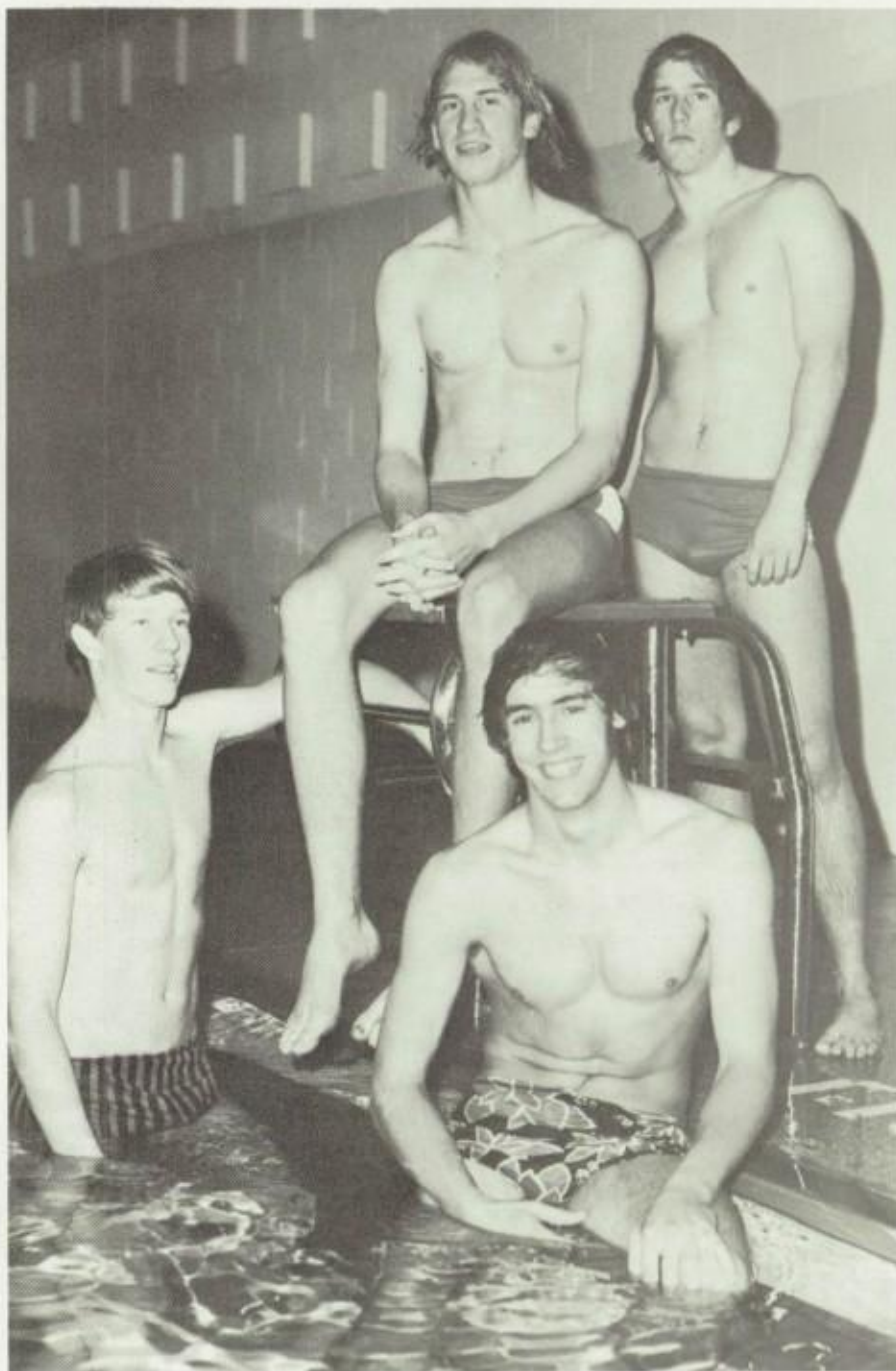

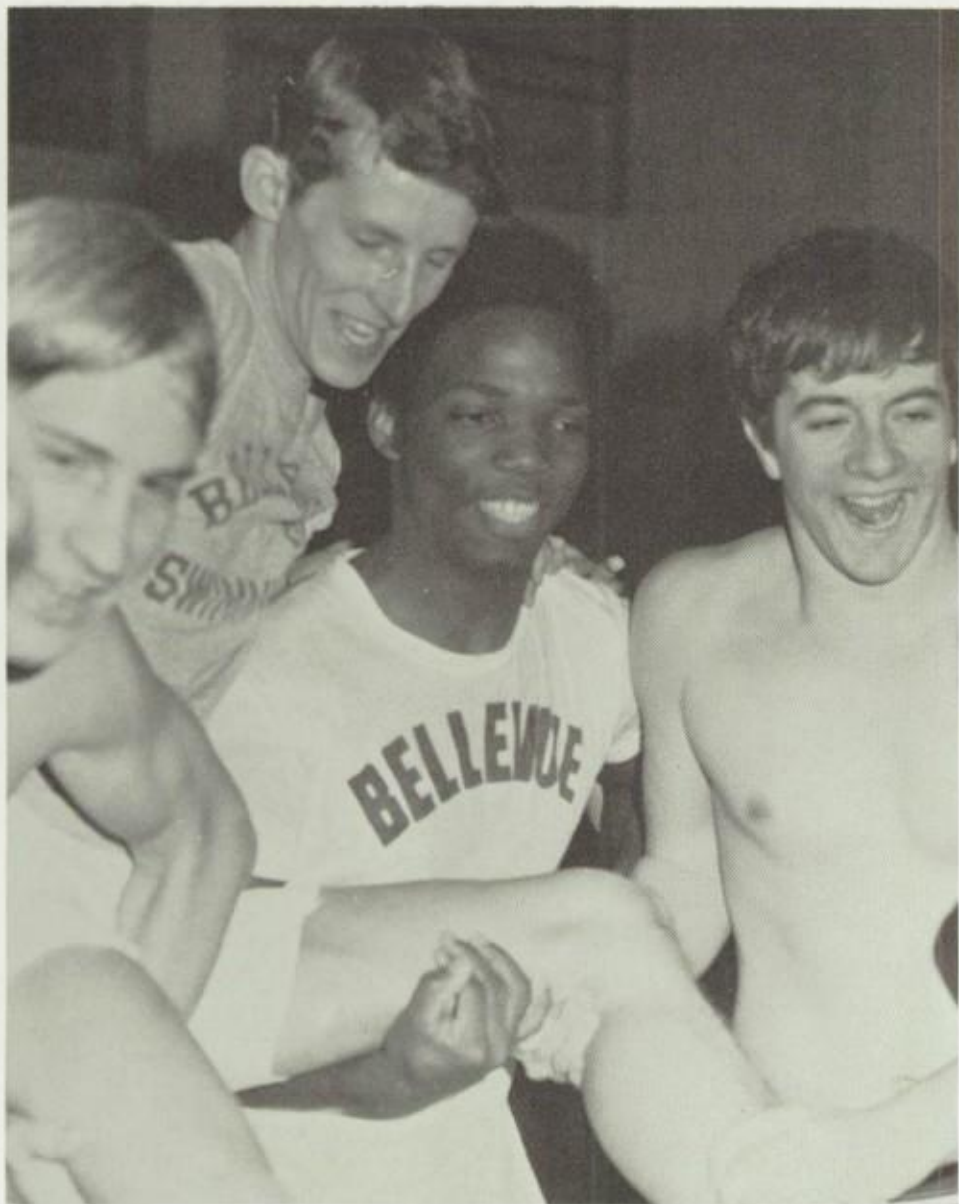

The outstanding swimmers this year were Jim Garlock and Vince Gasson. Both individuals were the only Bellevue swimmers to place in State. Garlock won two 9th places while Gasson went on to be State Champion in diving.

Jim Garlock was the only Bellevue swimmer to improve some of the Bellevue swimming records. Out of eleven possible records he secured three of them.

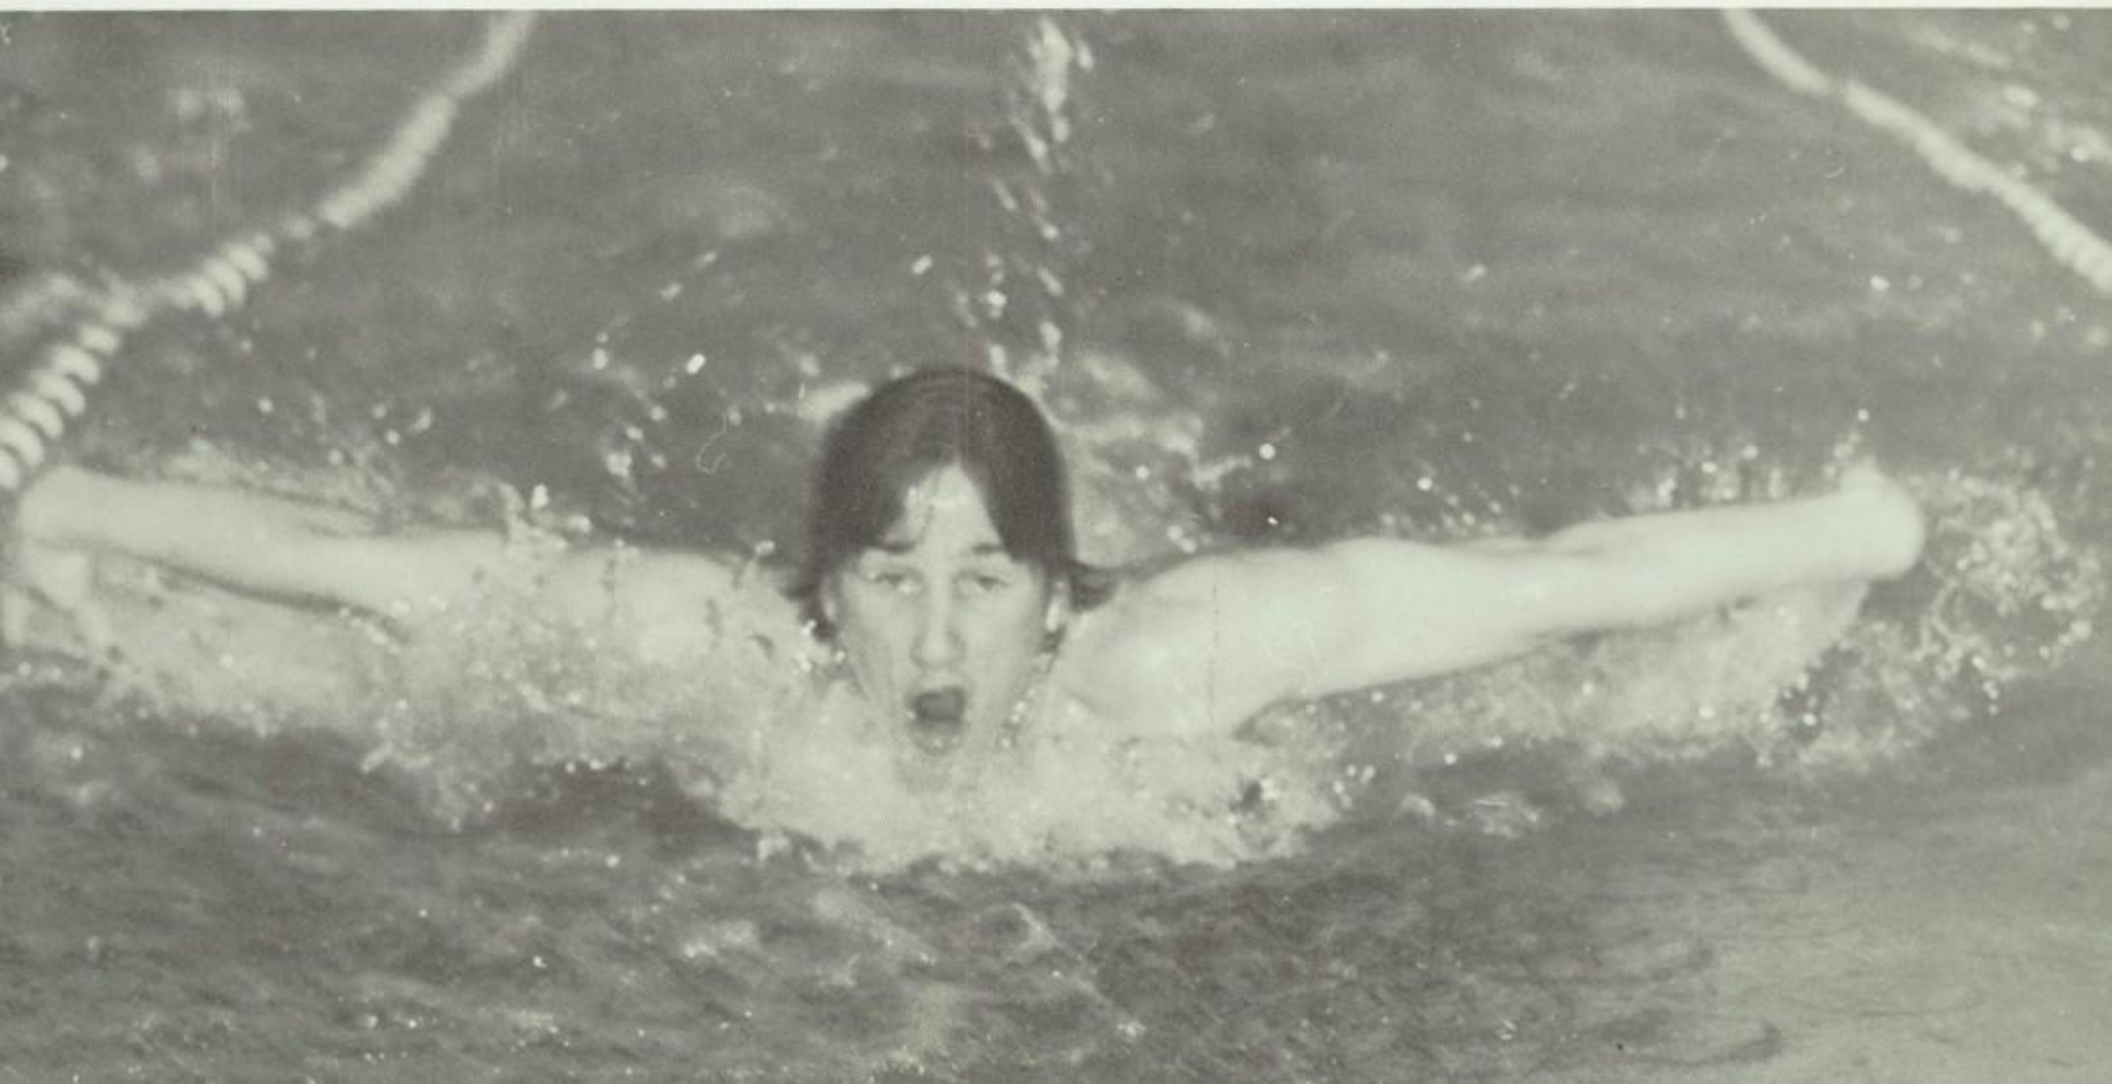

The success of Bellevue will be greatly evident in future years in the Metro area. After the new pool is built and with the excellent coaching Bellevue can provide, plus the fine crop of outstanding junior and sophomores, Bellevue should have great years for the future.

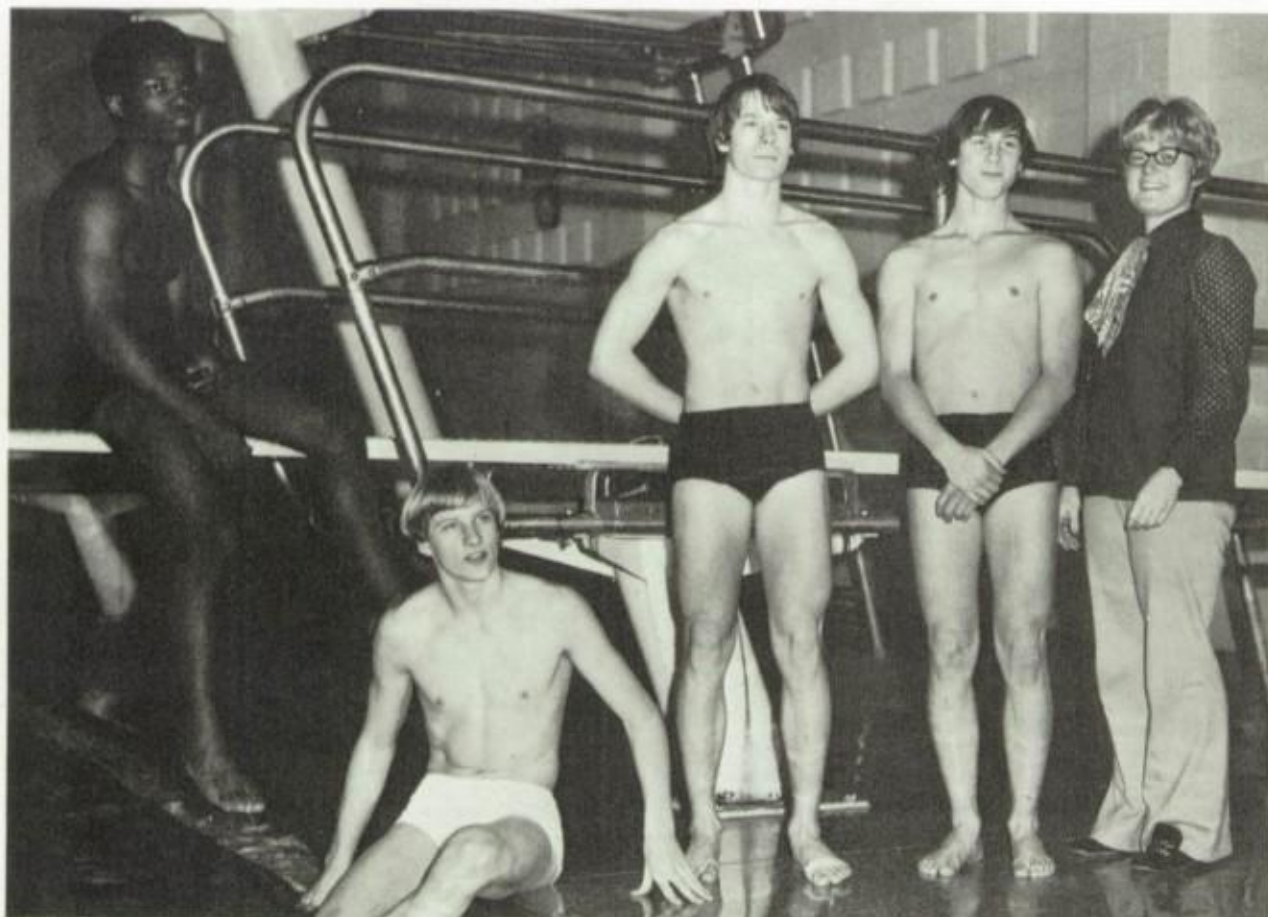

Bellevue swimmers that qualified for State in the medley relay team were Jim Garlock, backstroke; Randy Lane, breaststroke; Leroy Brunner, freestyle; and Cary Forrester, butterfly.

After winning the Central meet, the team members gather to throw Coach Nyberg into the pool.

Cary Forrester comes up for air in the final leg of the 100 yard butterfly.

Intramurals, the body building extra-curricular activity, was in fine form this year as more than 33 teams participated in flag football, basketball, and volleyball action.

The champions in boys' football were the Superstellers with a record of 4-1-0. The girls football champs were the Charlie Browns with a season tally of 4-0-0. The champions in boys' basketball were the Tisk with a seasons record of 8-0-0. And the champions in girls' basketball were the Zonkers with a year-end record of 5-0-0.

Next year the football teams will be looking for a new place to play because of the construction of the new auditorium, which covers the old ballfield.

Bellevue Senior High has long been a high spot in the Metro area for excellent coaching and knowledgeable managers.

During the year an array of managers has been provided to the athletes to take care of injuries. This year's head manager was Ron Lee. This summer he went to a Student Manager clinic in Kansas.

The coaches themselves provided excellent knowledge as they guided their teams in securing three state championships.

Back row: Ken Wasner, Steve Audette. Row 1: Bob Peterson, Ted McGinness, Joe Digiacomio, John Matheson, Hank Derivage, Chuck Phillips. Seated: Ron Lee.

Upon graduation, the Class of 1972 reflects back on its memories of B.H.S. We realize that these memories we hold are not just remembrances, but are the experiences that have matured and changed us in many ways.

The attitudes and opinions we hold now are not the same as when we entered Bellevue High as sophomores. Our ideas and concepts have changed and yet, ahead we can see still more changes—changes not only in ourselves, but in the world we live in.

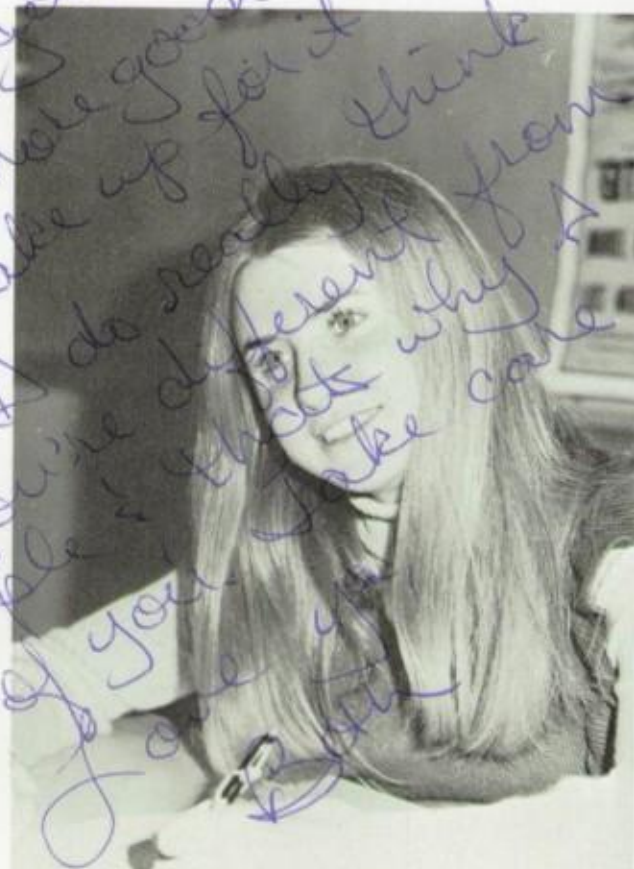

With the idea that B.H.S. has changed us for the better, we leave Bellevue High eager to step into our waiting futures.

President Walt Kujawa

Vice President Marcy Hartnett

The Junior Class this year has learned the value of teamwork and unity in working for a common goal, along with the satisfaction of success. Hopefully, we will retain these traits as we leave the sheltered existence of B.H.S. Of course, congratulations and good luck to the graduating seniors as they begin a new facet of their lives.
